Dear Families

We are very excited to provide a literature rich campus through our annual book fairs. Part of responsible reading is a family discussion about:

- ✓ Previewing the book fair brochure OR visiting book fair website to help make wise literary and budgetary choices.
- ✓ Creating and agree on a book fair budget.
- ✓ **PAYING** for items wanted at the fair (Chapter 19).
- ✓ Shopping during library class visits as much as possible to **AVOID** long lines during morning & after schools.

Thank you very, very much for your cooperation!
