Need Family Portraits?

**For Christmas, gifts, a family keepsake?
No time to get to a studio?**

Then come on down to Manoa Elementary School Library on Wednesday, November 1, 2017 for the Manoa Elementary School Family Portrait Night

House of Photography will be photographing families from 4:00 p.m. – 7:00 p.m. Only a limited amount of sessions will be available. Please keep reading to see how to book your session. For only \$ 15.00, you will get a 10" x 13" portrait of your family and House of Photography will be donating the entire amount to your school!

To receive your 10" x 13" print, a parent must come to the portrait viewing at the school on Wednesday, November 15, 2017 from 2:30 – 5:00 p.m. This promotion allows one 10" x 13" family portrait per family, a family must consist of at least one parent or guardian and one child. In addition to the above family grouping, House of Photography will photograph smaller groupings (parents together and/or children together.) The additional portrait groupings may be purchased at the portrait viewing.

To reserve one of the limited sessions, Logon to www.houseofphoto.com - "Family Portrait Fundraiser" or use the qr code below for mobile devices (select Manoa Elementary School.) Remember only a limited amount of sessions will be available for your school. Please allow anywhere from 30-45 minutes to complete your session. Dress appropriately; full length groupings will be taken.
