

Dear Parents,

This is to inform you that there will be some changes to our posted lunch menu. Unfortunately, our food distributors are having trouble with maintaining a regular supply of certain food products due to a backup on shipment to the islands. We apologize and are working to try and keep our menus as close to what we have posted. Please also notes that there is a chance we still may have to make future changes as needed. Our food distributors are working on the problem and as we get further into the school year we should all be able get back on track. In the meantime, please bear with us and we appreciate your patience & understanding.

Thank you,

Manoa Elementary Cafeteria Staff
