Dear Families

It is time again for Spring Book Fair! As the event is coming soon, our school would like to emphasize the importance of the following:

- ✓ Take time as a family to go over the brochure or online pages
- ✓ Take time as a family to make a book fair budget
- ✓ Take time to let your children know that monies are NOT to be shared
- ✓ Take time as a family talking about **PAYING** for items wanted
(our school applies Chapter 19 for incidences on taking things from book fair without payment)

It is **highly advised for students to do most/all of their shopping during their class library visits** to **AVOID** long lines in morning and afterschool; library schedules on backside.

We join your family in helping to make Book Fairs both enjoyable and a learning opportunity for students to make wise purchasing choices.

Thank you very, very much for this partnership!
