Dear Mānoa School Ohana:

Superintendent Kishimoto announced today the continuation of distance learning for all Hawaii public schools through May 28, the last day of the 2019-20 school year. This decision was made based on the latest guidance and information from our State health officials and elected leaders. While this news was not entirely unexpected, I'm sure everyone connected to this community is still saddened that we won't be able to re-open in May. That said, we all look forward to that day when we can safely interact with one another on the Mānoa School campus. Know that until that day arrives, our hard-working staff will continue to find innovative ways to engage our keiki through this unprecedented time. Thank you for your patience, love, and support!

Sincerely,

Ryan Kusuda
Principal

Grab-and-go Student Meals

The Hawaii State Department of Education (HIDOE) is implementing the Seamless Summer Option program a few months earlier than scheduled, as approved by the U.S. Department of Agriculture (USDA) and Hawaii Child Nutrition Programs, to provide free grab-and-go meals for students during the extended spring break period.

The schools below will be providing breakfast and lunch free of charge to children 18 years or younger, regardless of eligibility for free or reduced price meals.

Parents or caregivers who pick up a meal must be accompanied by a child, according to USDA requirements. There will be no personal interaction between HIDOE employees and the community. All meals will be placed in containers. Meals will be located outside of the cafeteria, preferably closest to a driveway or other natural access point on the campus.
