

Join Us for After School Art Drawing & Painting Manoa Elem School Rm# 34

Getting an earlier start in arts can make a real difference in the lives of children. With encouragement and guidance, we provide hands-on classes for all grades students. We have designed a fun and educational program to exceed standard art education and to inspire every child to reach their creative potential. Our curriculum is varied to include still-life, figure drawing, landscaping, and 3D design. It teaches a student how to see art in a new way and offers basic understanding of how to draw and paint. Through the lessons, students will learn the fundamentals of art while experimenting with a variety of medium, including water color, acrylics, pastels, and discovering the great artists work and techniques.
