

Manoa School Library introduces

OVERDRIVE

What is OVERDRIVE eBooks?

- It's a shared collection of eBooks and audio books administered by state for participating schools (similar to what our public libraries have)

Who administers?

- DOE of Hawaii manages via participating school libraries

When does it start & when, where is collection accessible?

- Our collection has already started and is accessible 24/7 at our Library Corner website (Over Drive icon): <http://www.manoaschool.com/library-corner.html>

How can my child(ren) participate?

- Accessible from any internet connected computer OR from a personal device by downloading the OVERDRIVE app on your tablet, iPad, smartphone or iPhone. Here are the instructions for downloading onto a device:

<http://vlibrary.freshdesk.com/support/solutions/articles/1000039306-printable-handouts-for-specific-devices>

- Use your child's 10 digit school ID # instead of library card # (ask Librarian)

Here is a guidebook:

<http://vlibrary.freshdesk.com/support/solutions/articles/1000039292-hps-overdrive-site-guide-revised-9-8-2014>

(A link to a tutorial is forthcoming on our Library webpage)

Why are we using OVERDRIVE for Manoa School?

- In addition to our PRINT collection at our library, Over Drive offers families portability and ease of use for electronic reading (borrowing and returning stories is easier than ever); it offers a different way of reading!
- This state shared collection has over 3,000+ titles for everyone!

Further questions, concerns can be directed to our school librarian:

<http://www.manoaschool.com/library-contact.html>

Grades 3 – 5 have already been instructed on Over Drive this week during Library time. Our TUMBLE BOOKS, audio book collection, are ideal for grades K – 2. Username, manoaes, password, books <https://www.tumblebooklibrary.com/default.aspx>
