

TIGER TREK '20-21

MĀNOA ELEMENTARY SCHOOL & MĀNOA SCHOOL APT

WHAT IS TIGER TREK?

Students say it's the **BEST. DAY. EVER!** Tiger Trek Day culminates our biggest fundraising campaign period at Mānoa Elementary. It is a day of fun and exciting activities that includes relay races, Zumba, bouncy obstacle courses, a trek around campus and healthy snacks.

This year, we are targeting to hold the event in the springtime, pending the health and safety situation. COVID-19 has forced us to change the way Tiger Trek looks, but we are *keeping the spirit of giving alive.*

100% of the funds raised during this campaign helps with enrichment programs and expenses NOT funded by the State of Hawaii Department of Education. These include P.E. Class, Music, Computers for the Technology Lab, and campus improvements. Last school year and over the summer, we dipped deep into our reserves to help cool some of our classrooms and provide for unexpected COVID-related expenses: additional lunch tables and Chromebook laptops. We are committed to support the school in its efforts to implement proper safety and health measures and look forward to the day when all Manoa School students, faculty and staff can return to campus.

OUR GOAL IS TO RAISE \$55,000

For the month of September, we encourage students to ask grandparents, aunties, uncles, family, friends, and neighbors to pledge a donation of any size or to give through **Foodland's Give Aloha Program** to help raise money for Mānoa Elementary School APT. Organization #78118. New this year is the ability to make your contribution online along with your grocery purchase. **See attached Donation Options for more details.*

Corporate sponsors who donate \$350 or more will be recognized with their company logo on Tiger Trek flyers and APT newsletters throughout the year. **See attached Corporate Sponsorship or contact Lyn Uesato-Nishida at tigertrek@manoaschoolapt.com for more information.*

'We thank you in advance for your support and anticipate the day we'll see you in person again!

COVID CONCERNS

Additional lunch tables will allow for more physical distancing during mealtime and additional learning spaces.

CAMPUS IMPROVEMENTS

Last semester, 5th graders started enjoying cooler classrooms!

TECHNOLOGY

Now more than ever, adequate access to devices is critical. Money raised recently went toward new equipment to reduce the amount of device sharing between students and also to teach them how to navigate distance learning tools.

OTEMON FRIENDSHIP EXCHANGE PROGRAM

This Japanese cultural student exchange program has been held for the past 30 years, providing the opportunity for applicants to experience school and home life in Japan. We look forward to being able to make connections with our distant friends again.

ROBOTICS PROGRAM

Mānoa School is home to a World Champion Robotics team! Funding will support aspiring students to continue competing at the state, national and world levels.

Additional classroom materials are purchased to aid our teachers.
